

SAFE CRACKERS MAKE FRESH DEBUT

ELLEN WILSON McADOO, who is shown here with her parents, the daughter of President Wilson, and Secretary of the Treasury William G. McAdoo, was born May 21, and this was her first appearance before the public. Both President Wilson's married daughters have now made him a grandfather. Mr. McAdoo has other children, most of them grown up. His daughter, Miss Nona, has just returned from France, where she worked as a nurse in the American Hospital. The photograph copyright by Clunelinst.

CRASHING AUTOS BRING DEATH'S SHADOW NEAR TO MANY IN THIS CITY

Death may come to several people as a result of accidents happening in various parts of Orange county during the period of time extending from Saturday evening until this morning at 9 o'clock.

Paul B. Anderson, son of Robert Anderson of East Tenth street, this city, is suffering from severe concussion of the brain as a result of having been pitched from a wagon during a run-away this morning near Hewes Park.

William Swim, 11-year-old son of Mr. and Mrs. William Swim, 408 West Second street, this city, is suffering from concussion of the brain as a result of having been hurled from his bicycle on West Fifth street Saturday evening.

Mrs. J. M. Dwyer, of Whittier, is at the Santa Ana Hospital suffering from a broken collar bone as the result of the automobile in which she was riding turning turtle on one of the Aliso canyon grades south of Laguna yesterday evening. Her husband received minor injuries.

Mrs. T. H. Newman of Long Beach sustained a fractured leg when she was run into by an automobile driven by E. L. Warner of this city yesterday.

Woman Is Painfully Hurt As Auto Turns Turtle

Suffering from a broken collar bone and otherwise painfully injured, Mrs. J. M. Dwyer of Whittier is at the Santa Ana Hospital, as a result of the automobile in which her husband was driving turning turtle on one of the Aliso canyon grades south of Laguna yesterday evening at about 6:30 o'clock. Mrs. Dwyer's husband escaped with minor bruises.

Dwyer was driving a two-passenger car. He started up one of the steep grades and had gotten up for a short distance when a steering knuckle broke.

The car hurtled off to one side of the road and rolled down the embankment for a distance of eight feet. Mr. and Mrs. Dwyer were pinned under the car.

Albert Jewett and Frank West, also of Whittier, who were following the Dwyer car closely, immediately stopped their own machine and with the help of other people who were at the scene extricated Mr. and Mrs. Dwyer from the wreck.

The two injured people were taken to the Yoch Hotel, Laguna, and later Mrs. Dwyer was taken to the Santa Ana Hospital. The Dwyer automobile was considerably damaged.

While Mrs. Dwyer's injuries are painful, her condition is not serious.

Boy Likely to Die As Result of Accident

Likely to die, William Swim, 11, son of Mr. and Mrs. William A. Swim, 408 West Second street, is at the Santa Ana Hospital suffering from concussion of the brain and possible fracture of the skull sustained Saturday evening shortly after 6 o'clock when he was thrown from his bicycle, near the corner of West Fifth and Artesia streets, as a result of a collision with an automobile driven by J. P. Teagarden, who lives two and a half miles west of this city.

Young Swim was riding William Elwing, 13, son of Mr. and Mrs. Birger A. Elwing, 410 West Second street, deliver papers. At the time the accident occurred the two boys were separated by about a block. Both were riding wheels.

Boy in Stupor

William Swim, the boy who was injured, is in a stupor the greater part of the time and has not yet been able to give an account of how the mishap occurred. From what could be learned today, however, it appears that young Swim had ridden west on Fifth street and had arrived at a point considerably west of Artesia street to deliver a paper.

He turned around and as he headed back toward the east on Fifth street he was struck by the automobile driven by Teagarden. With Teagarden was Miss Nellie Saviger, Teagarden's housekeeper.

Following is Teagarden's account of how the accident happened: "I was driving east on Fifth. Two automobiles approached from the east. One automobile passed me. At that moment, and coming from between these two automobiles, appeared the boy, who appeared to me to be turning around in the street to go eastward after having ridden toward the west. I don't know whether the left front wheel of my automobile hit the boy or whether it was my fender. All I know is that the boy was thrown to the street. He hit his head. The wheel was smashed."

Young Swim was immediately rushed to the hospital.

PUTTING TUSTIN ON THE MAP; BOOSTERS DOING GOOD WORK

THE TUSTIN PUBLICITY BUREAU has issued a map showing clearly the location of Tustin. The map, printed herewith, is meant to emphasize in the mind of anyone who sees it that Tustin is certainly on the map. What is more, Tustin is going to continue to make itself a bigger spot on all maps. While Tustin in population is relatively smaller than several other places of Orange County, its publicity bureau's desire to make the name of Tustin better known is resulting in some good publicity work, including the issuance of the map.

500 EDITORS SHOWN CITRUS BELT GLORIES AT SAN BERNARDINO

SAN BERNARDINO, June 28.—Five hundred delegates of the thirtieth annual convention of the National Editorial Association, to be held in Los Angeles, arrived this morning on three special trains.

Local editors met and escorted the visitors to points of interest in the citrus belt and to lunch at Urbia Springs. Over a hundred automobiles met the trains.

The specials leave for Los Angeles this evening.

C. E. CONVENTION IN THIRD DAY SESSIONS

SAN DIEGO, June 28.—The State Christian Endeavor convention delegates held Bible discussions this afternoon, the third day of the session. Tonight Dr. Francis J. Vanhorn of Oakland speaks at the Stadium.

EPIDEMIC OF ROBBERIES OPENS IN SANTA ANA: NIGHT PROWLERS MAKE GOOD HAULS AND ESCAPE

There has been a revival of the epidemic of burglaries and safe-blowing which prevailed in Santa Ana for a portion of the winter months.

Three cafes down-town were jimmied open sometime Saturday or Sunday. A considerable sum of money was taken from one. A lesser amount is missing from a second. Nothing was taken from the third—principally because there was no money to take.

An attempt was made to rob one of the local produce stores. The cash register was "frisked," but here, again, nothing was taken, for the reason there was nothing to take.

A home on the Tustin road was robbed and a considerable amount of silverware taken.

Another home in the city was entered, at some indefinite time, and a goodly haul made.

At Anaheim a home was broken into and a supply of clothing taken. Several other small robberies have been reported.

MAY ASK COUNTY TO PUT SPEED COPS ON JOB ONCE MORE

That the Associated Chambers of Commerce will be asked to take steps looking toward the re-establishment of police surveillance of the county's highways in order to do away with the speeding which has become epidemic since the county's speed officers were taken off is quite likely, according to Secretary J. C. Metzger.

The Associated Chambers of the county is scheduled to meet at the Garden Grove schoolhouse Wednesday evening at 7:30. A banquet will be served and a large attendance is expected.

Supervisor T. B. Talbert will also bring up the matter of whether the Inland Waterways Association of California is to receive the support of Orange county. Boosters for the Association will be present, it is said.

It is also likely that a report on the progress being made on the Newport harbor matter will be read.

NEW ARRESTS NEAR IN HUERTA INQUIRY

EL PASO, June 28.—Additional arrests are promised tonight in connection with the government probe into the Huerta plot to start a new Mexico revolt.

Huerta and Orozco, arrested last night, are being closely watched lest they attempt to jump their bail.

Several Texans are under suspicion. Huerta will be arraigned Thursday before the United States commissioner.

It is believed likely the defense will request a postponement. Prosecutor Beckham believes the arrest has forestalled the biggest revolt yet.

DOUGLAS, June 28.—Representatives of the alleged Huerta revolutionaries claim the Huerta arrest will cause American intervention in Mexico. It is asserted Huerta planned to join forces with Villa and seize Juarez, eliminating Carranza.

DOUGLAS, June 28.—Representatives of the alleged Huerta revolutionaries claim the Huerta arrest will cause American intervention in Mexico. It is asserted Huerta planned to join forces with Villa and seize Juarez, eliminating Carranza.

CATCHES BURGLAR AS HE CHOKES MOTHER

SAN BERNARDINO, June 28.—Arthur Pina caught a burglar choking his mother this morning. The burglar drew a knife and in a struggle Pina disarmed the prowler and stabbed him. The wounded man is believed to be dying at the County Hospital. He gave the name of Raymond Garcia.

MAYTORENA'S RANCH RAIDED BY INDIANS

DOUGLAS, June 28.—Bronco Indians are said to have raided Governor Maytorena's ranch between Hermosillo and Orizaba. They chased off the guard and killed several, destroyed the buildings and crops, and stole cattle and horses.

CARRANZAISTAS TAKE MEXICO CITY, REPORT

WASHINGTON, June 28.—Consul Silliman wires the State Department that General Gonzales' Carranzaistas have defeated Zapata and occupied Mexico City.

MT. LASSEN SHOWERS VALLEY WITH ASHES

REDDING, June 28.—Mt. Lassen is steaming and ashes have been showered all over Hat Creek valley. No serious damage has been done.

FALLS FROM TRAIN

BAKERSFIELD, June 28.—Frank Calyn of Los Angeles today fell under a Santa Fe freight train at Woodford and was killed.

Jewelry and Silverware Is Loot at Tustin Home

Valuable jewelry and silverware and some clothing were stolen yesterday, between 10:30 a. m. and 1:30 p. m., from the residence of Mr. and Mrs. A. H. Stutsman at 1001 Newport road, Tustin. There is little question in the minds of Under Sheriff Iman and Deputy Sheriff Murray but that the burglars are Mexicans, and that they carried the loot away on bicycles.

About 10:30 o'clock Mr. and Mrs. Stutsman got into an automobile with their son, Abe Stutsman, and came to Santa Ana to church. As they were leaving the place they saw two Mexicans sitting on the curb with two bicycles on the ground near them. At the time no particular notice was taken of the two bicyclists.

After church Mr. and Mrs. Stutsman spent a short time at the home of their son, W. A. Stutsman, at 606 South Birch street, Santa Ana, and then returned home. On arriving at the ranch at Tustin they were soon made aware that their home had been burglarized during their absence.

The thieves gained entrance with a pass key used on a back door. Tracks of bicycle tires in the driveway added to the thought that possibly the two Mexicans they had seen sitting on the curb were responsible for their losses.

The list of articles turned in to the sheriff's office as missing from the Stutsman home includes three knives, four forks, seven teaspoons, five tablespoons, a butter knife, a sugar spoon, all of silver; a pearl handled knife, a gold wedding ring that is worn thin, a diamond ring, a grey coat, an old 44-caliber Colts revolver, two silver match boxes, an imitation silver cigarette case, a cravenet coat, a handful of small jewelry, a turquoise brooch, the property of Mr. and Mrs. A. H. Stutsman. From the house were taken a Columbia half-dollar, two uncut rings, a pair of auto goggles and two cuff buttons belonging to W. A. Stutsman.

Orange Woman Notifies Police of Robbery

Officers at Orange have been notified by Mrs. Hallie Bryant of East Almond street, Orange, that a burglar entered her house, and that she has missed a diamond ring.

Clyde H. Ellis Home Is Robbed; Loss Is \$90

Sometime within the last week the home of Clyde H. Ellis on West Fifth street, west of the P. E. crossing, was entered and robbed of articles worth about \$90. Ellis and his wife have been away from home. Last Monday when Ellis' father was at the place he noticed nothing out of the way, and he is positive that at that time the place had not been entered.

This morning Ellis found that a thief had pried a padlock off the door and had taken away a lot of Rogers 1847 tableware, a blue serge suit of clothes, a pair of grey trousers and a Panama hat. Under Sheriff Iman and Deputy Maxwell looked the place over this morning for fingerprints, but found none.

Three Safes Jimmied and Cash and Goods Stolen

Three safes were jimmied open here yesterday, one at the Reinhaus Department store, 202-204 East Fourth street, and two in the Holmes Realty office, 501 North Main street. Thirty-two dollars in money and an opal ring were taken at the Holmes office. About \$150 in cash was taken from the Reinhaus store as well as underwear and other furnishings to the value of about \$25.

It is certain that the Reinhaus job was done after 10 o'clock yesterday morning and before 8 o'clock yesterday evening, as Julius Reinhaus, one of the proprietors, was in the store at 10 o'clock in the morning and the safe-breaking had not yet been done. When he returned to the store in the evening yesterday he found that burglar had paid his visit.

The burglary at the Holmes office, it is thought likely, was also committed yesterday though there is a possibility of its having been done Saturday night.

Climbs Fence, Breaks Panel
A high fence encloses the rear and outside portion of the Reinhaus store next to the alley. The burglar climbed over the fence and broke a panel.

U. S. TO PREPARE SHARP NOTE OF PROTEST AS TO INTERFERING WITH SHIPS

WASHINGTON, June 28.—The United States government is preparing the most vehement note since the beginning of the war, addressed to the allied powers.

The note protests against interference with neutral shipping.

American importers and packers are organizing to demand that a special session of Congress lay an embargo on munition shipments unless Britain changes her blockade methods.

Millions of dollars worth of American goods are held in Holland and cannot be shipped for fear British warships will seize them.

AUSTRO-GERMAN FORCES CROSS THE DNEISTER

BERLIN, June 28.—It is officially announced that the Austro-Germans have stormed Halex and crossed the Dneister river, and a further Russian retreat is now expected.

The Germans are striking at Tarnopol, fifty miles beyond Halex.

It is announced the Germans have levied assessments of \$30,000 each

BULLETS FLY AS SOUVENIRS OF JOYOUS LITTLE FAMILY REUNION

Following a pleasant evening party at the hospitable home of Ramon Villacana at Cypress Saturday evening, Luis Gaska was taken to the County Hospital with two bullet holes through his neck while Villacana and four other Mexicans hid out in the brush.

It was a kind of a family gathering—what the society editor would call a reunion. Gaska and his wife came down from Compton. Mrs. Villacana is the mother of Mrs. Gaska. Others of the invited guests arrived during the day. Decorations consisted of wine when it was red and beer when it was foaming. There were no place cards. It was along about 11 o'clock at night that the party broke up.

Gaska says that for some reason which he cannot exactly remember five of those present decided to do him great bodily injury. He says they cornered him in the house, and one of them stood at the door with a club so that he could not get out. Villacana, his step-father, passed around the souvenirs, which happened to be two leaden chunks. One of the souvenirs passed through Gaska's left lower jaw and was removed later at the county hospital by Dr. Zaiser. It was under the skin at the left shoulder blade. The other bullet journeyed from the left side of the neck downward and was taken out beside the spine. It passed through the lungs.

Sheriff Jackson and Under Sheriff Iman were invited to the party about 11:30 o'clock. When these guests arrived, most of the others had said their adieus and were gone. Villacana has not been caught. His wife, who is also mother-in-law of the wounded man, declares she will do all she can to help the officers capture her husband.

U. S. TO PREPARE SHARP NOTE OF PROTEST AS TO INTERFERING WITH SHIPS

(CONTINUED FROM PAGE 1)
sador Gerard today cabled Secretary of State Robert Lansing that he has authoritative information to the effect that the new German note is "along favorable lines."

NEW GERMAN NOTE DUE ON JULY 5 OR 6, SAY REPORTS

BERLIN, June 28.—On what seems to be excellent authority it is reported today that the new German note will be handed to Ambassador Gerard on July 5 or 6.
Von Tirpitz has not as yet approved the tentative draft.
Von Bethmann-Hollweg has gone to the Galician battle front to confer with the Kaiser regarding the note.

GERMAN SUBMARINE SINKS BRITISH STEAMER

QUEENSTOWN, June 28.—It is today learned that the steamer Lucia, a British vessel, has been submerged and sunk off Bally Cotton.
The crew were given five minutes to take to the boats and all were able to reach land in safety.
The Lucia was coal laden.

DOCTOR SAYS MONARCHS NEED 'EFFICIENCY' TEST

SAN FRANCISCO, June 28.—Dr. Woods Hutchinson, president of the American Academy of Medicine, said today that if European rulers had been tested for physical and mental efficiency, as are American school children, there would be no war today.
He further declared that a "healthy normal people" do not want war.
Even the needs of trade supremacy and the need for race expansion, the doctor added, would never force a nation of healthy people into war.
TODAY THE ANNIVERSARY OF SLAYING OF ARCHDUKE
VIENNA, June 28.—Today is the anniversary of the assassination of the Archduke Francis Ferdinand and was observed on the German and Austrian fronts with special services.
A memorial mass was held at the cathedral here, attended by Emperor

SAFE-CRACKING EPIDEMIC CUTS LOOSE AGAIN IN THE CITY

(CONTINUED FROM PAGE 1)

ed this fence and broke in a panel of a door leading into the store.
This thin panel splintered, the burglar reached inside and turned the key.
The doors of the safe, which is a large, heavy one, were opened by means of a cold chisel and a sledge, a piece of cheesecloth was wrapped around the point of the chisel to deaden the sound. Every lock of the safe was literally hammered off. The locks of the safe, the burglar had no difficulty in getting at the cash drawers and strong box inside.

Takes Furnishings
The furnishings taken from the department store consist of a light tan hand bag, valued at \$10; a tan suit case, valued at \$10; a dozen pairs of blue socks; a "Noname" hat; three suits of Elmore underwear; and two suits of Poroskint underwear. The goods were taken out of their boxes and packed in the hand bag and suit case.

It is possible that other articles may have been taken from the Reinhaus stock, but if this is the case the loss has not yet been discovered by any of the clerks.

Several diamonds were taken from a strong box in the safe.

One of the proprietors visits the store every evening at about 6 o'clock for the purpose of turning on lights in various parts of the store, including two small ones immediately over the safe.

Finds Evidence of Robbery
Yesterday evening Julius Reinhaus was not able to get to the store until about 8 o'clock. When he went to the safe to turn on the two lights he noticed that the doors of the safe were open and that the floor was littered with pieces of iron and steel which had been broken off as the burglar hammered away at the locks.

City Marshal Jernigan and Sheriff Jackson were immediately notified.

The Reinhaus burglary was one of the most daring that has been committed here for some time. City Mar-

shal Jernigan stated today that he passed through the alley in back of the store several times yesterday but that he did not hear or see anything amiss. The marshal also was in the vicinity of the Holmes real estate office at various times yesterday, but did not see anything of a suspicious nature.

Souvenir Gold Pieces
One of the safes in the Holmes office belongs to C. D. Holmes and the other to Mayor A. J. Visel. Both of these safes are close together in a back room of the office and cannot be seen from the street.

The burglar entered the Holmes office by means of a key. The side door entrance was found unlocked this morning.

As was the case at the Reinhaus store, the locks of the two safes in the Holmes office had been knocked off with a cold chisel. This makes it certain that the two jobs were done by the same man.

Nothing was taken from the Visel safe. A number of valuable mortgages and other papers were left untouched.

From the Holmes safe the burglar got a twenty-dollar and a ten-dollar Roosevelt gold piece and a two-dollar half-dollar gold piece besides the opal ring. This ring, which is said to be an inexpensive one, is set with three opals.

Futile Visit Paid by Thief to Local Produce Store

It seems likely that the same men who burglarized Reinhaus Bros. store also entered the Santa Ana Produce Company store next to the alley in the Odd Fellows' block. This is less than a block by the alley from the Reinhaus store. Also the fact that the produce store visitor was evidently looking for money only indicates that he was the same who went into the dry goods store.

The thief entered the produce store by climbing through a rear window, during which he knocked over some cans. He went to the front of the store and easily worked the cash register. It stood open this morning. However, since no money had been left in the cash register there was none there for the burglar. He is supposed to have departed by the side door on the alley, as that door was found open this morning.

This job was done yesterday afternoon or last night.

East Anaheim Home Is Robbed of Clothing

Sheriff Jackson yesterday received a report from City Marshal Kellenberger of Anaheim that the residence of Mrs. Rose Harrison of East Center street, Anaheim, had been robbed between 6 a. m. and 7 p. m. Saturday. The articles reported missing are breast pins, a gold brooch, gold beads, coral beads, a blue silk and wool dress, a purple silk dress, a red ratine dress, a wicker suit case, a lawn skirt, an ulster and a black overcoat.

THREE MEN PASS EXES AS COUNTY TEACHERS

The County Board of Education has issued teacher's certificates to Robert D. McGee of Santa Ana, A. S. Fulton of Los Angeles, formerly a teacher in Iowa, and M. W. Perry, a teacher at the state school at Whittier and formerly a teacher in Ohio and Idaho. The three men started the examinations last Monday. Six women who started with them lost out on arithmetic. The issuance of certificates gives these three the right to teach in the grammar schools of this county.

CONSTIPATION CURED OVERNIGHT
A small dose of Po-Do-Lax tonight and you enjoy a full, free, easy bowel movement in the morning. No griping, for Po-Do-Lax is Podophyllin (May Apple) without the gripe. Po-Do-Lax corrects the cause of Constipation by arousing the liver, increasing the flow of bile. Bile is Nature's antiseptic in the bowels. With proper amount of bile, digestion in bowels is perfect. No gas, no fermentation, no Constipation. Don't be sick, nervous, irritable. Get a bottle of Po-Do-Lax from your Druggist now and cure your constipation overnight.

POUGHKEEPSIE, June 28.—Cornell today won the junior varsity eight-oared race; Pennsylvania, second; Columbia, third; time, 10:48 1-5. The freshman race is the next scheduled, then the varsities. The Hudson's banks are crowded. Countless launches and observation trains are packed.

WELL KNOWN PIONEER ANSWERS LAST CALL

The death of one of Santa Ana's highly respected pioneers occurred Thursday afternoon at 11:35 o'clock, when Wallace W. Buell passed away, at his home on West Fifth street after an illness of many months.
Mr. Buell was born June 4th, 1840, in Madison County, Illinois, and was a member of the Thirty-fifth Illinois Infantry, in which he served three years. He was also a member of the Grand Army of the Republic with which he has been identified since coming to Santa Ana, twenty-three years ago.
In 1865, Mr. Buell married Hannah C. Lawrence at Waterloo, Iowa. Three years ago the thirtieth of this month, his wife answered the last call and the old gentleman has been very lonely since that time.

He is survived by his only sister, Mrs. Mary P. Rogers, in Raney, Ill.; six daughters, Mrs. R. W. Pearce, Mrs. Mabelle Harrington, Mrs. Maude Hungerford, Mrs. Estelle Parsons, Mrs. Nettie Fickas and Miss Alta L. Buell, and sixteen grandchildren.

CRASHING AUTOS BRING DEATH'S SHADOW NEAR TO MANY IN THIS CITY

(CONTINUED FROM PAGE 1)

ed to the Santa Ana Hospital. He remained unconscious until yesterday morning. His condition is considerably improved today, though he is still in a stupor.

Teagarden considers that he is in no wise to blame for the accident. In conversation with Mrs. Swim, this morning he stated that he did not consider it incumbent upon him to pay any or all of the medical bills the boy's parents will incur as a result of the accident.

"I do not feel as though I am in any way to blame," said Teagarden. "The accident was no more my fault than it would have been if the boy had run against a telephone pole or a curb and I had not been within a mile of the accident."

Teagarden is 67 years of age. Miss Saviger, who was riding with him, is 60 years of age. Mrs. Swim, the injured boy's mother, believes that Teagarden is at least partly to blame for the mishap.

"As usual in cases of this kind people take the view that young boys have no rights whatever on any street," said Mrs. Swim. "I do not mean to say that the accident was wholly due to the fault of Mr. Teagarden, but I do say that he was as much to blame as my boy. Mr. Teagarden says that he was traveling at fifteen miles an hour. Even that rate of speed is too fast on the city's streets. I think it is terrible that people should drive their machines at the rate of speed they do."

Santa Ana Automobile Hits Woman, Breaking Leg

Mrs. T. H. Newman, 130 Elm avenue, Long Beach, while crossing Linden avenue near Ocean avenue, Long Beach, was hit by an automobile driven by E. L. Warner of 407 Hickey street, Santa Ana, and hurled to the pavement, suffering a broken leg and severe bruises. She was taken to the Long Beach Sanitarium.

Mrs. Newman is said to have become confused when she saw two automobiles approaching, one driven by R. A. Reese and the other by Warner.

Pitched From Wagon Onto His Head; Unconscious

Pitched from a wagon on his head on a hard road, Paul B. Anderson of Santa Ana received injuries this morning about 9 o'clock that rendered him unconscious. Up to 2 o'clock this afternoon he had not recovered his senses, and every indication is that he has sustained severe concussion of the brain.

The accident occurred while Anderson was driving a team of horses belonging to his brother-in-law, Herbert W. Walker, on whose ranch near Hewes Hill, Anderson has been employed during his vacation from Pomona College. The horses ran away, going east on the road that leads to Hewes Hill. Anderson held to his lines and kept his seat until he had the animals stopped at Hewes Hill. He turned around and was on his way back to the Walker ranch when one of the horses stumbled. The animals were on edge as a result of their runaway, and the stumbling of the horse caused the team to jump. The lurch of the wagon and the sudden jerk on the lines threw Anderson off the seat, and he landed head first on the road.

He was picked up unconscious and was taken to the Walker home, and immediately a physician was summoned. The report received here this afternoon was that Anderson's condition is problematical. It is believed that he escaped a fracture of the skull. Anderson is one of the best known athletes in Southern California. When in Santa Ana high school, from which he graduated a year ago, he was recognized as the best of the high school jumpers of Southern California. During the last year he has been attending Pomona College, where he took a prominent part in athletics. He is the son of Robert S. Anderson of 211 East Tenth street, Santa Ana.

IMPROVEMENT IS WATCHWORD AT LAGUNA

LAGUNA BEACH, June 28.—Improvements are going steadily forward in Laguna the Beautiful.

Forest avenue is about to be sidewalked and curbed and is now being oiled and sanded from curb to curb.

Tent City is in full swing now and is rapidly filling up with students of the laboratory.

N. Philbrook, one of Laguna's real estate men, announces that the L. N. Brooks estate will be finally closed in court within the next ten days, when a large amount of acreage and a number of lots will be available for sale.

A dance was given Friday evening at E. R. Trefren's dance hall in honor of the Universal Film Company. The hall is proving a success, dances being given two evenings a week.

Free demonstrations are being given in Laguna of a new burner patented by Charles W. Fricker of Anaheim, which, it is claimed will make more gas to the gallon of distillate than gasoline, and at a cost of less than half that of gasoline.

A company of the Universal Film Company has been in Laguna the past week making moving pictures.

Pool is becoming a popular pastime with the ladies here since the R. F. Brooks pool hall was opened to the gentler sex.

J. N. Isch, one of the oldest business men in Laguna, and postmaster for the past twelve years, reports business better this summer than ever before in his recollection.

LITTLE DAMAGE DONE BY HIGHEST TIDE OF THE YEAR

NEWPORT BEACH, June 28.—Large crowds of people were attracted to this vicinity Saturday night to witness the highest tide of the year. Although the tide was registered at seven feet and three inches, there was no damage done by the water, as the surf was unusually calm, there being no wind. In several places along the Peninsula, the sea splashed over the bulkhead and ran down the streets, but no injury was done to private or municipal property. The big tides of the past few days have dug the beach out in many places in a manner that renders bathing extremely dangerous, and several accidents have resulted therefrom during the last week.

County class adoption at Orange, Monday, June 28. All neighbors be at hall at 7:15. All those having an auto, please bring it.

C. R. HILL, Council.

MEXICANS ARE INVITED TO ATTEND MISSION

An interesting mission for the Spanish-speaking people of this city and vicinity was opened yesterday at St. Joseph's Catholic church at 9 o'clock. The mission is conducted by Father Buenaventura Nara and a companion, Franciscan monks and refugees from Mexico.

The program during the two weeks of the mission is as follows: Mass week days at 7 a. m., catechism at 1 p. m., Rosary and sermon at 3 p. m., and evening sermon and benediction at 7:30 p. m. Masses during the three Sundays of the mission will be at 8, 9 and 10:30 a. m.

Protestant Mexicans are also cordially invited to attend the services, as the Franciscan fathers are learned men and excellent preachers.

MISCREANTS TEAR UP NEWLY LAID WALKS AT DELHI SCHOOLHOUSE

Revenge or merely the desire to be going something mean prompted the destruction of some newly laid cement sidewalk at the Delhi school house last night.

It was probably revenge. During the construction of the school house there has been considerable trouble with Mexican children going to the place to gather blocks and stray pieces of lumber. On several occasions the workmen have ordered the visitors to leave.

That may be the explanation of why last night a shovel was taken and the new sidewalk was battered and broken and dug up. The contractor who built the sidewalk is N. Newton of Orange.

MUSIC FESTIVAL HAS MANY ATTRACTIVE FEATURES

At the Music Festival at Los Angeles Saturday there were several very interesting sessions and concerts, three of which are well worthy of mention.

At 3 p. m. at the Gamut Club, Mrs. Evelyn Fletcher Copp gave a lecture on "The Creative Ability of the Child Set Free in Music," in which she most clearly set forth the stimulative power of music in connection with child imagination and the beneficial effects to be obtained in the training of the child along these lines.

At 3:30 a splendid concert was given in Trinity Auditorium, the principal feature of which was a number of original songs, the words and music by Miss Gesena W. Koch of Santa Barbara. There were five exquisite children's songs, as follows: "The Kelp Dolly," "Racing the Breakers," "The Shasta Daisy," "What the Blue-bells Told," and "Fire-flies." The sixth number was entitled "April Maid" and was much more pretentious, a concert number of high merit. Miss Koch's songs impress every one who hears them as being unusual in characteristic creative ability, and entrancingly beautiful in their simplicity and purity of thought. They were sung before an enthusiastic audience by Mrs. Edward Landers Hummel, a young singer of Santa Barbara, whose pure soprano voice and wonderful expressiveness was a sincere delight to all who heard her.

In the evening at Trinity an Orchestral Concert by the Los Angeles Symphony Orchestra, Adolph Tandler, director, was rendered. The orchestral numbers consisted of compositions of American composers and in nearly every instance the composer personally conducted the performance of his own work. They included W. J. McCoy, David Stanley Smith, Arne Oldberg, Mrs. H. H. A. Beach and others.

"Fairyland"

The greatest feature of the whole festival course at Los Angeles is, of course, the \$10,000 prize opera, "Fairyland," which will have its initial or premiere performance on next Thursday evening at the Temple Auditorium.

For the information of Santa Ana who are interested, we give herewith a brief story of the opera:

Rosamund, a novice, from the abbey balcony beholds the young King Auburn riding across the valley and falls a-lusting for life and for him. But he, scoring the kingdom that has been too easily his own, would fain gain a pilgrimage. He leaves his crown not to Corvain, his brother, but to the Abbess Myriel. Corvain therefore steals upon Auburn while he prays before the shrine, strikes him down and leaves him for dead. But Auburn, reviving, finds himself among the fairies, and within the shrine, not of Our Lady but his own Lady Rosamund, and they two are crowned king and queen in a vision of Fairyland.

Auburn being gone, Corvain by force seizes upon the kingdom, which Myriel also claims, so each takes tribute from the people who are grievously oppressed thereby. Rosamund, fleeing from the Abbey in search of Auburn, falls into the power of Corvain, Auburn returns to claim the crown again, but none will recognize him for the king; Rosamund knows him only for her Prince of Fairyland, and he, being come back to earth, knows her not. Myriel, pursuing Rosamund, comes upon the two together. While she and Corvain quarrel for possession of the fugitive, Auburn before all the people interposes, proclaiming himself king and invoking the magic power of the rose which he brought from Fairyland. But the rose withers before the scornful laughter of Corvain, wherein the people join; Rosamund, renouncing Corvain's protection, is led away prisoner by Myriel and Auburn is left desolate.

Rosamund, believing steadily in her fairy lover, is to be burned for witchcraft. Myriel strives to make her repent, persuading her that her vision had been of holiness, not of love; but Rosamund will not doubt. Rosamund and Auburn, being without hope now, despoise their dream; seeing yet Robin and the people as nothing more than mere peasant clods who therefore cannot aid him. Auburn, single-handed, desperately attacks Corvain, who has him seized and bound also to the stake. In that last moment, while the fagots kindle, they hear the drinking-song of the People of the Hills. The rose burns in Auburn's bosom like a star, while Rosamund sings the magic song thereof. The scene transforms again to the likeness of their vision, wherein Myriel and Corvain are overpowered by the throngs of fairies rushing in, and Auburn and Rosamund are again set free and crowned in a world that is one with Fairyland.

We offer you good buys in late model used cars of real value and are willing to guarantee them. Liberal terms.

LABORATORY AT LAGUNA BEACH ATTRACTION TO MANY

LAGUNA BEACH, June 28.—Each year shows some advance in the equipment and advantages of the summer school at Laguna Beach. This summer a tent city and dining hall has been erected. Although accommodations in the way of board and rooms are especially for those interested in marine life and the study of the animals and plants of the land and sea, there is room for a few others.

A fine dining hall is just completed and rooming and housekeeping tents have been erected and many of these are now being used by students and their friends. In a few days it is expected that the salt water will be running in the laboratory and the low tides of the next few days will furnish a new lot of interesting specimens for the aquarium and the laboratory.

There are about thirty students doing both general and special work.

There are many students from Pomona College and some from other institutions. Those about to enter college may take work as well as those who have graduated. There are many interesting things that the advanced and general students are investigating. Much of the study is in the way of field work. All groups of animals are being collected and determined, especially the sea forms.

Each week, Wednesday and Saturday, field trips are taken to interesting points on the coast and inland, while the early mornings when the tide is low are especially valuable for the study of marine life.

Beginning with the first of July there will be special field work for children. These nature study trips are for those younger than the college students and are open to any in Laguna on the payment of a small fee. The longer trips are for the older students and their friends. On certain evenings there will be public lectures, to which all who may be in Laguna Beach may be invited.

The Laguna Marine Laboratory is an annex of the Pomona College Summer School, but there are students and others from outside connected with this local institution and all interested are welcome. This year will probably be the best one yet, more students and investigators being expected later in the summer. Among those now at the laboratory are Prof. Bean from Oregon, who has charge of the new supply department which will furnish marine specimens to schools and colleges, and Prof. Wm. A. Riley of Cornell University, Ithica, N. Y. Professor Hilton, the director, expects to be at the laboratory all summer.

ON JULY 6 SUCCESSORS TO M'FADDEN BE CHOSEN

A successor of John McFadden, who died last week, as director of the First National Bank will be chosen at the monthly meeting of the directors on July 6. That same date is the day for the annual meeting of the Home Mutual Building & Loan Association, and at that meeting a new director will be chosen to fill the vacancy caused by McFadden's death. A new president will also be chosen.

Frank Ey, the vice president, has been attending to the business of president since McFadden's death.

ENTITLED TO THE BEST

As a rule and on the whole the people of Santa Ana and Orange County are very liberal in their provisions for and support of the public schools. But occasionally a murmuring and sometimes even a rumbling is heard about the ever-increasing school expense.

In justice to the schools it should be remembered that in every phase of public service and private living there is ever-increasing expense. And nowhere and now how do we get more for our money than we do from our schools.

There is no subject in which the public is more vitally interested than the public schools. In Europe the schools are the concern of the government; in America they are the concern of the people. There is a tremendous enthusiasm in this country for the public school. It is near and dear to the hearts of the men and women of every station in life because it intimately affects the moral, intellectual and economic foundations of society.

Enthusiasm for progress in education in the West has taken form in a demand both for broad and full instruction and for properly adapted school buildings. Twenty-five years ago school architecture as a special subject was scarcely known; today it is almost a distinct profession. Facts in respect to lighting, heating, orientation and ventilation have accumulated rapidly the last several years and a modern school house is no longer a more or less happy aggregation of guesses. For instance, who knew ten years ago that the window area of a school room should be one-fourth the floor area? There are school rooms even in this city where the proportion is far short of that.

A school house anywhere in this country more than twenty-five years old is more than likely to be ill-heated, ill-lighted, ill-ventilated, inconvenient, unsanitary and unsafe. Such progress has modern cleanliness, sanitation and the building art made that a child that has the good fortune to be living in a district containing a grade school building of modern design has a far better chance of living a wholesome, happy and normal life than one compelled to pass his school life in the interior of an old and decaying building erected by a previous generation. For the period of grade school instruction is the most impressionable age of the boy and girl, as every man and woman will testify. Unless the senses have become dulled through environment or habit, the delicate brain tissue and nervous organization of the normal child is keenly susceptible to the slightest stimulus of air, light, cleanliness and beauty. The mind of the growing child is a clean page to be clearly engraved with what is best in life, or drenched and smeared by undesirable surroundings, as the case may be.

It has been pointed out with irresistible logic that as child is bent so will he grow. The moral influence of cleanliness, order, neatness and beauty are positive. Proper surroundings are the guard-frame about the growing tree. Says a well known writer: "The school room should be a positive and elevating moral influence in the life of every pupil." Since the child is compelled by the law to attend school until he is 16, he is entitled to be housed during that period under healthful conditions, conditions that will conserve the strength, favor the growth and expand the spirit of the budding personality, reaching out as its nature dictates to grasp what it can of light, fresh air, bright colors and general beauty.

W. A. HUFF

1915 LEGISLATURE WAS LEAST COSTLY OF ANY IN TEN YEARS

SACRAMENTO, June 27.—State Controller John S. Chambers today gave out the following statement as to the cost of the recent session of the legislature:

"So much misinformation has gone out to the public as to the total cost of the 1915 legislature, and particularly as to the cost of printing, that I deem it necessary to make a definite and accurate statement, as taken from the controller's reports of this office, covering the sessions held during the past ten years, or from 1905 to 1915, inclusive.

"I wish to say here that instead of being criticised, the recent legislature, in view of the fact that it was the least costly of any held in ten years, should be given commendation. The trouble with those that have criticised and commented upon the legislature is that they merely looked at the total cost of the 1915 session, and the cost of the printing, and did not compare these costs with similar costs of other legislatures, or take into consideration that certain charges, such

as salaries, are fixed, and that so much must be allowed under the law for mileage and so on.

"Now as to the actual figures: The total cost of the session of 1905 was \$350,627.60; for 1907, \$355,126.77; for 1909, \$332,436.50; for 1911, \$354,638.29; for 1913, \$348,696.76, and for 1915, \$326,978.29.

"The session of 1915 was \$28,248.48 less than the session of 1907, which was the highest in cost of any session in ten years, and is \$5,458.21 less than the session of 1909, which is the lowest one on the list.

"Now as to printing: Several newspapers have commented at more or less length, and with more or less severity, on the cost of the printing done for the session of 1915. The printing for the 1915 session was also the lowest of any similar bill in ten years, as the following figures will show:

"Printing for legislative session of 1905 was \$92,282.91; for 1907, \$89,637.25; for 1909, \$93,000; for 1911, \$99,089.25; for 1913, \$100,243.23, and for 1915, \$87,218.69."

WHISKEY RUNNER IS CAPTURED IN ARIZONA

DOUGLAS, June 28.—J. B. Merck, a prominent resident, was arrested today charged with attempting to bring an auto truck load of whiskey and beer into Arizona from New Mexico.

GUNBOAT IS RUSHED TO PROGRESSO, MEX.

WASHINGTON, June 28.—The gunboat Marietta, bound from Key West to Vera Cruz has been ordered by wireless to visit Progreso, where Caranzasistas are threatening to interfere with American commerce.

HAVE THE "REGISTER" FOLLOW YOU ON YOUR VACATION

The Register is making special effort this season to give good service, by mail and carrier to all subscribers going away on vacation trips.

The Register will be delivered by our own special carriers on the day of publication, in Huntington Beach and Laguna Beach (probably at Newport, East New Port and Balboa) and at other resorts by mail.

Don't go away without leaving order for your "Register" to follow you. It will be like a big daily "letter from home."

52 COUNTIES IN STATE RECEIVE \$84,000,000; SPEND \$75,000,000

SACRAMENTO, June 28.—Six counties have failed to turn in their 1914 financial reports and State Controller Chambers is angry.

He said today he had not believed the same thing would happen again because of the new law which makes county officials liable to \$3,000 fine if they failed to report in due time.

Fifty-two counties reported total receipts of \$84,000,000 and disbursements of \$75,000,000.

Card of Thanks

We wish to express our heartfelt thanks to all our friends and neighbors who did so much by deed, sympathy and beautiful flowers to aid us in bearing our great sorrow, the death of our beloved mother, Mrs. Mina A. Coleman.

NOTICE OF ADMINISTRATOR'S SALE OF REAL ESTATE AT PRIVATE SALE

In the Superior Court of the State of California, in and for the County of Los Angeles.

In the Matter of the Estate of Elizabeth M. Johnson, Deceased.

Notice is hereby given that in pursuance of an order of the Superior Court, of the County of Los Angeles, State of California, made on the 21st day of June, 1914, in the matter of the estate of Elizabeth M. Johnson, deceased, the undersigned, the administrator, with annexed of said estate of Elizabeth M. Johnson, deceased, will sell at private sale, to the highest bidder, upon the terms and conditions hereinafter mentioned and subject to confirmation by said Superior Court, on the 8th day of July, 1915, at the hour of 10 o'clock a. m. of said day, at the office of Messrs. Fredericks and Hanna, Suite 1101 Merchants' National Bank Building, in the City of Los Angeles, County of Los Angeles, State of California, all of the right, title and interest, and estate of the said Elizabeth M. Johnson, also known as Elizabeth M. Johnson, deceased, and all of the right, title, interest and estate that the said estate has by process of law or otherwise acquired, other than in addition to that of the said Elizabeth M. Johnson, her death, in and to that certain lot and parcel of land situated, lying and being in the County of Orange, State of California, and more particularly described as follows, to-wit:

Lot Eleven (11) of the C. Z. Culver Home Tract, in Richmond Farm Lot 43, as shown upon a map of said tract, recorded in Book 15 of Miscellaneous Records of Los Angeles County, State of California.

That said property is situated in the County of Orange, and that said property was formerly situated in the County of Los Angeles, and by reason of the creation of the County of Orange, State of California, of and from a portion of the County of Los Angeles, said property has since said creation of the County of Orange, been situated in the County of Orange, the records thereof being in the County of Los Angeles.

That the terms and conditions of the above sale are to be cash in Gold Coin of the United States, 10 per cent of the purchase price to be paid at time of sale, balance on continuation of sale, the purchaser to assume the payment of and take the property purchased by him subject to all the city and county taxes which are now a lien against said property, and all assessments of whatsoever kind or nature, which are now or may hereafter become due, payable or a lien against the property purchased by him.

That all bids or offers on the said real estate shall be left at the office of Messrs. Fredericks and Hanna, attorneys for said administrator with will annexed, at Suite 1101 Merchants' National Bank Building, at The Northeast Corner of Sixth and Spring Streets, in the City of Los Angeles, County of Los Angeles, State of California, or may be filed at the office of the Clerk of the Superior Court of the County of Los Angeles, at any time after the first publication of notice of this sale, and before the making of the sale.

FREDERICKS AND HANNA,
Attorneys for Administrator.

FAREWELL SOCIAL

Friends and Neighbors of Mr. and Mrs. Miller Give Pleasing Surprise

A good time, long to be remembered, was enjoyed Saturday evening at the home of Mr. and Mrs. J. R. Miller at 1014 West Highland street, the affair being a surprise farewell given in honor of Mr. and Mrs. Miller, who leave Wednesday for their new home at Del Mar.

The surprise was highly successful for when the honored couple were called home from across the way they expected to find a single visitor and, instead, they were greeted by a bevy of neighbors and friends who had shyly taken possession of their home.

The children present were soon playing merry games and while the older people were enjoying a pleasant social visit, refreshments of sandwiches, pie, cake, fruit and coffee, thoughtfully furnished by the self-invited guests, were served.

Those who joined in the evening's pleasure were Mr. and Mrs. J. R. Miller, Mr. and Mrs. Dave Brown and family, Thomas Greer and family, Leonard Brown and family, Mr. and Mrs. Art Fowler, Mr. and Mrs. T. F. Divine, Mr. and Mrs. Robert McKinzie, Mr. and Mrs. John Dunn, Ocie, Mina Goldie and Clyde Dunn; Mr. and Mrs. Ivan Douglass, Jack Brady and family, Mrs. S. M. Lockhart, Misses Merle Brown, Myrtle Rennox and Blanche Hankins and Mr. Levi Hankins.

Farewell Visit

Saturday evening a merry crowd of the friends of Miss Edith Wells gathered at her home for an informal farewell visit.

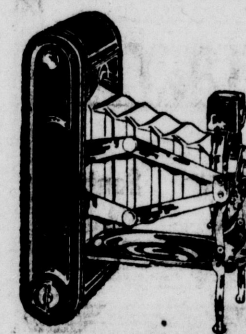

The affair was quite impromptu, as it had been arranged soon after these young people had received a hint of her approaching marriage.

Cooling refreshments, brought by the self-invited guests, were served before the company adjourned with a shower of sincere good wishes for their well-beloved friend.

Street Meeting

A street meeting will be held tomorrow evening at 8 o'clock at Fourth and Bush streets under the auspices of the local Socialist organization. August Claassen, an instructor in the Rand School of Social Science of New York City, will make an address, which will be followed by his wife, Mrs. Hilda Claassen, who is an officer of the United Neckwear Workers of America. Both are said to be able speakers and are interested in the subject of labor should attend.

THE HOBO

He pays no rent, he pays no tax,
He buys no coal or ice.
He doesn't seem to worry when
He hasn't got the price.
He doesn't lie awake at night
And try to figure out
A way to meet his grocery bill,
And never has the gout.
He doesn't have to entertain,
Nor go to parties that
He doesn't care to snap about,
In some kind neighbor's flat.
He doesn't have to worry lest
His clothes are not in style;
The weather is a question that
He doesn't think worth while.
He simply seeks another when
A climate doesn't suit.
He isn't interested in
A single blamed dispute.
He doesn't have a single care
And is a happy lad.
To lead the genus hobo's life
Can't be so very bad.
—Roy K. Moulton.

HAPPY EVENT

Fourth Wedding Anniversary Celebrated at Beautiful Country Home

Mr. and Mrs. W. H. Adams entertained a merry company of relatives at their beautiful country home yesterday, the day honoring their fourth wedding anniversary and also the birthday of Mrs. Adams' sister, Mrs. Paul Anderson.

Fragrant bouquets of carnations and roses decorated the attractive rooms and graced the pretty dining table where, at noon-time, a delicious chicken dinner with all the tempting accessories, was served.

In the afternoon the party motored to Newport to enjoy the sea breezes.

Those sharing in this happy celebration were Mr. and Mrs. B. Uttley, Mr. and Mrs. Paul Anderson, Mr. and Mrs. P. C. Warren of Los Angeles, Mrs. Martha Adams, Misses Edith Adams and Gertrude Meredith, Mr. Donald Holmes of Los Angeles and little Misses Marjory and Eileen Adams and Master Eugene Anderson.

Santa Ana Man Weds
A dispatch from Portland, Oregon, says:

Ralph Waldo Nelson of Santa Ana, Cal., today took to sunny California an Oregon bride of his own age, 25, Miss Myrtle Louise Alsberge, one of Portland's prominent young women. The young couple will take a wedding trip to both the California expositions and will be at home in Santa Ana late in the month.

Delightful Social Tea

The ladies of the Shiloh Circle met with splendid attendance, last Thursday afternoon at the G. A. R. hall, where they held an unusually pleasant social tea.

Two new members were initiated and two applications made for membership.

The death of a beloved member, Mrs. Taylor, was reported and also a list of sick members, to whom visits had been paid.

An excellent program was then enjoyed. The Misses Smith, two talented granddaughters of Mrs. Langley, sang, and played the piano; C. S. Shaw gave a clever reading and Judge E. T. Langley made a pleasing talk.

One of the praiseworthy features of the program was an amusing little farce, "The Civil War Heroines," in which Mesdames Martin, Smith, Wendelkin, Eckhart and others admirably took part.

During the social "get acquainted" hour, light refreshments were served.

Auto Service Stand, White Cross Drug Store. Both phones 42. Special trips anywhere at any time. Prices reasonable. R. A. Harlow.

PRETTY HOME WEDDING

Well Known Santa Ana People Leave for New Home In State of Utah

A pretty home wedding occurred Sunday afternoon at 6:30 o'clock at the home of Mrs. W. G. Wells, 512 Spurgeon street, when her daughter, Miss Edythe Cornelia Wells became the bride of Mr. Jasper N. Osborn.

The impressive ceremony was performed by Rev. J. A. Stevenson, the pastor under whom these young people have served so faithfully.

The home had been prettily decorated with shasta daisies, roses and red geraniums and the nuptial vows were pledged beneath an archway of fernery. The bride wore a gown of white embroidered voile with trimmings of beautiful lace. She carried an exquisite arm bouquet of white carnations and maidenhair ferns.

Following the ceremony, a delicious wedding collation, carrying out the prevailing tints of red and white, was served to the merry company.

Mr. and Mrs. Osborn have long been earnest workers in the First Presbyterian church and will be keenly missed. Both are prominent members of the Christian Endeavor Society. Mr. Osborn, who is a young man of sterling character, has been doing splendid work with his Sunday school class of boys and the sunny disposition of his bride has won the love of all who are fortunate in knowing her.

The happy couple left this morning for Delta, Utah, where Mr. Osborn has recently purchased land and the sincere good wishes for a future of happiness will follow them to their new home.

A happy feature of life in their new location is the fact that Mr. and Mrs. Irwin Greathouse will also leave in the near future for land recently purchased near Delta. Mrs. Greathouse was formerly Miss Grace Wells and the two sisters will live as neighbors.

Enjoy Merry Outing

Messrs. J. H. Chamberlain and Walter Trickey enjoyed a novel experience as "chaperones" to a merry crowd of young people whom they took in their machines to Laguna Heights and Aach Beach, Saturday.

A tramp over the cliffs and rocks gave all keen appetites for the sumptuous picnic spread on Laguna Heights.

Among the young people who enjoyed this jolly outing were Misses Carol and Doris Shelly of Mulvane, Kan., Misses Mary Crozier, Theretta Taylor, Eula Chamberlain, Messrs. George Oertly, Keith Davis, Alfred Catland and Brooks Montgomery of Los Angeles.

Epworth League Social

The Epworth League social which was to have been held Wednesday evening, at the home of Mr. and Mrs. T. M. Purdom, has been postponed indefinitely.

ANNOUNCEMENT

The management of the Hickox Studio has been assumed by Mrs. Hickox, and the studio is open for business with an experienced operator in charge. The high standard maintained by Mr. Hickox will be preserved, and all work fully guaranteed.

The generous patronage accorded this studio in the past is earnestly solicited for the future.

SANTA ANA FIRM BIDS FOR LUIS REY CREAM

Oceanside Blade: Representatives of the Excelsior Dairy Company of Santa Ana have been in this locality this week making bids for cream. The San Luis Rey Valley has been for years the territory of the Hage interests at San Diego and practically every bit of cream has gone to that market. The Santa Ana people are said to be making bids from one to two cents higher than those from San Diego.

Personals

Miss Gesena W. Koch, a well known young composer of Santa Barbara, was a guest at the home of Mr. and Mrs. W. A. Benjamin yesterday. Miss Koch came down to attend the services at the First Baptist church, where Mr. Benjamin sang one of her beautiful compositions, "God's Garden."

J. M. Ward left Saturday over the Salt Lake railroad for a business trip to Kansas City, Mo.

Mr. A. J. Lawton was among visitors in the Angel City today.

Mr. and Mrs. Walter Galbraith have rented the cottage of George Young at East Newport, where they will stay for several months.

Miss Mabel Steward has returned to Chicago, traveling over the Salt Lake line.

Mr. R. E. Eastman and Miss Gertrude Eastman left today on the Yale for San Francisco, booked by the Salt Lake Company.

Mr. and Mrs. Horace Fine and family, Mr. and Mrs. George Young and family and Mrs. Louise Waite spent Sunday at Trabuco. Mrs. W. K. Robinson returned with them to Santa Ana.

Miss Emma Glover went to San Diego yesterday for a visit of several weeks.

Mr. and Mrs. F. Dean and son left today for Anselmo, Neb., traveling via the Salt Lake route.

Misses Hester Covington and Carolyn Haughton visited in Los Angeles today.

Clarence Burbridge, a prominent business man of Dallas, Tex., is visiting at the home of Judge J. A. Willson. While here Mr. Burbridge also enjoyed a visit with his old school friend, C. D. Overshiner, whom he had not seen for thirty-five years.

R. R. Miles, who is a member of the Ellis Club, went to Los Angeles to sing this evening in the joint concert given by the Ellis and Lyric clubs.

J. T. Miles will leave July 5 for Berkeley to meet his wife and visit the San Francisco exposition, returning home together.

Miss Ruth Johnson, accompanied by Miss Ruth Knowlton left Saturday for San Francisco.

Gus Backlin sailed yesterday on the Congress for Seattle from where he will leave for Aberdeen, S. D.

Misses Gertrude Potts, Grace White, Jennie and Holly Dale and Loren Dale sailed yesterday on the steamer Yale for San Francisco, expecting to be gone about two weeks.

Mr. and Mrs. J. C. Wallace and Mr. and Mrs. Hal Bradford and family left yesterday for Trabuco canyon where they will camp for three weeks, at a beautiful spot just above the Tin Mines.

Miss Margaret Roy left this morning for Pasadena to attend a house party given by several Pomona girls in honor of Miss Susan Sheed, who is a niece of Judge Wilbur of Los Angeles. Miss Sheed has been a classmate of Miss Roy, but she will attend Vassar next year, instead of returning to Pomona.

Mr. and Mrs. J. C. Varile will leave tomorrow on a three-months' trip to their old home at Chicago. They will stop en route at San Francisco, Salt Lake and Denver.

County Treasurer J. C. Joplin has returned from a two-weeks' stay in Bell canyon, where he has been building a house on his mountain ranch, known as the Fox place.

Mr. and Mrs. Wallace Smith of Denver, Colo., who have been visiting Mr. and Mrs. W. R. Currie on South Birch street, left this morning for Riverside.

Mr. and Mrs. John Tubbs and Mr. and Mrs. Joe Parsons have returned from a trip to San Diego.

Misses Helen Young and Charlotte Fine are enjoying a visit at Trabuco. Mrs. H. W. Hinsey and little granddaughter spent today in the Angel City.

Mrs. A. C. Kendall and little son, Raymond, of Pasadena, and Mrs. D. K. Towt and daughter, Miss Marian, of Lindsey, Calif., were over-Sunday guests of Mr. and Mrs. R. E. Miles of 415 West First street.

Mr. and Mrs. C. C. Langley and two children, Ruth and Jack, left for East Newport this morning, to remain until after the Fourth of July.

Mrs. Nell Brock was among Santa Anans in Los Angeles today.

Mr. and Mrs. N. I. Rice of Garden Grove, and niece, Miss Mabel Harrison, of White Pigeon, Mich., spent several days at San Diego recently, going down by auto. They visited Point Loma, Tia Juana, Mexico, and also attended the exposition.

HIGHWAY WORK

SACRAMENTO, June 28.—A. B. Fletcher of the State Highway Commission today announces that the state highway connecting Los Angeles and Sacramento will be completed by September. Six per cent will be the maximum grade between Los Angeles and Bakersfield.

SANTA ANA MAN NEAR DEATH FROM DROWNING

Knocked unconscious by the boom of a new boat he was sailing for the first time, Clarence Brown, proprietor of the Hub Cigar Factory, this city, narrowly escaped drowning when he fell into the bay in front of the pavilion at Balboa yesterday afternoon at about 2 o'clock.

In the sail boat with Brown were Ralph Paul and Sidney Carmack, also of Santa Ana. Paul was at the tiller. Without warning, Paul brought the boat about.

The twenty-foot boom struck Brown on the head, knocking him into the water. Had it not been for the fact that he became entangled in the ropes of the boom he would have been drowned instantly.

Paul dragged Brown to the surface. It required heroic measures to revive Brown.

Closing out Wall Paper at about half price at Chandler's, 510-516 N. Main St.

DIED

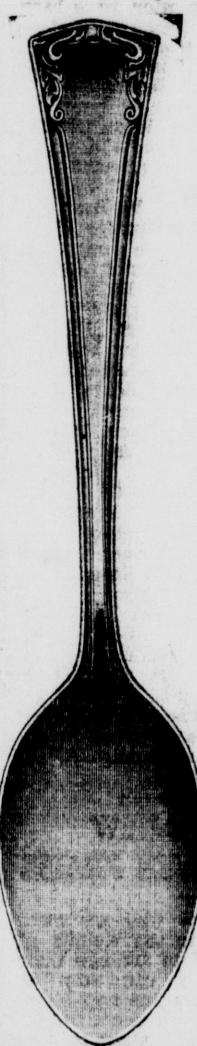

WILEY—June 27, at the home of her parents, Mr. and Mrs. R. J. Wiley, of Tustin, little Edith Maxine Wiley, aged two months.

The little one was buried this afternoon at 2 o'clock in Fairhaven cemetery.

NUNN—June 27, 1915, at his home, corner of Washington and Flower, J. A. Nunn, aged 63 years.

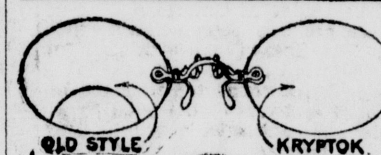

The body is now at the parlors of Mills and Wimbright and funeral announcement will be made upon the arrival of a son-in-law now on his way from the east.

MAN'S LEGS SCALDED BY HOT BATH WATER

Newport News: D. F. Body, manager of the East Newport store, was severely burned Sunday afternoon, June 20, by accidentally spilling a pail of boiling water upon his lower limbs while preparing to take a bath. He had heated a pail of water and was resting it on the edge of the bath tub while turning on the cold water from the faucet, when one side of the bath broke and the scalding water was dashed upon his unprotected legs. Mr. Body had removed his clothing, preparatory to taking the bath. Clothing would have held the heat and steam against his limbs and literally cooked them. Although in a desperate plight and suffering agonies of pain, he managed to call assistance, and word was telephoned to Dr. Tweedie, who lost no time in getting to the scene of the accident and dressed his injuries. Both legs were frightfully burned from about four inches above the knee to his feet, and the patient suffered intensely from the wounds. He was taken to the Santa Ana Hospital, where he is slowly recovering.

DYNAMITE CASES

LOS ANGELES, June 18.—Judge Willis today postponed the trial of M. A. Schmidt and David Caplain, alleged Mac Namara accomplices, from September 1 to October 4.

Summer Is Here

You will wish to discard that winter suit. It is too heavy and hot. But you don't like to buy a new one just now.

AT THE COURT HOUSE

NO APPEAL AND
DR. OSHER IS
OUT \$100

The declaration of Dr. J. C. Osher of Anaheim that he was going to appeal to the appellate court from the judgment of Judge West fining him \$100 for practicing dentistry without a license did not materialize into fact. Dr. Osher is a licensed physician. He declared that as such he had a right to practice dentistry, and so he took out no state license. The court held that Dr. Osher was wrong. Dr. Osher put up \$100, and County Clerk Williams has been holding it subject to the appeal that the Anaheim dentist was going to take. Thirty days have passed, and the time to appeal has gone by. No appeal has been taken. The state gets the \$100.

Claim for Labor

F. A. Larson has given notice to the

A SANTA ANA CITIZEN
COMES TO THE
FRONT

Tells His Friends and Neighbors of His Experience

Every Santa Ana resident should read what a neighbor says. His testimony can be relied upon. Here are his own words:

P. G. Etchison, retired merchant, 826 E. St., Santa Ana, says: "For months I was troubled off and on by a dull, heavy pain in the small of my back. If I stopped, I was sure to suffer worse. I thought this trouble came from disordered kidneys and when I read about Doan's Kidney Pills, I got a box. They promptly and thoroughly cured me." (Statement given March 7, 1907.)

OVER SIX YEARS LATER Mr. Etchison said: "I have never needed any kidney medicine since using Doan's Kidney Pills. They cure to stay cured, at least they did in my case."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Etchison has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.—Advertisement.

ONTARIO'S FINE NEW
HOTEL GIVEN PRAISE

Local automobilists who are making trips anywhere in the vicinity of Ontario will do well to arrange their journeys so that they can stop at Casa Blanca, Ontario's fine new hotel. They will find the place unusually attractive, and a splendid place to stop for a meal, as well as for longer stays.

Casa Blanca is located on the two state highways, between Los Angeles and Riverside and San Bernardino, thirty-seven miles from Los Angeles. It is in a natural park with beautiful surroundings, three blocks from the business center of Ontario.

There are fifty rooms, each with bath. The dining room, with seats for over 100 guests, is in a beautiful separate building, connected with the office lobby and rest of the hotel by an arcade. The entire building is of grey brick, all bearing out the effect of the name Casa Blanca (White House) which contrasts with the trees, lawns and flowers in the spacious grounds.

"Service" is the slogan of the Casa Blanca. Telephones in every room add to convenience, while steam heat takes the chill off mornings and evenings. The furnishings of the hotel are elegant, but refined.

The table is furnished from Casa

FAIR DRY GOODS STORE

Santa
Ana
Cal.

Blanca Rancho with fruit, vegetables, poultry eggs, cream and dairy products.

Ontario, lying on the two state highways, the one the Mission boulevard to Riverside and San Diego, the other the Foothill boulevard to San Bernardino, Redlands and the San Bernardino mountains, gives the Casa Blanca an ideal location for auto tourists. It is a worthy addition to Southern California's splendid tourist hotels, such as the Maryland at Pasadena, Arrowhead at San Bernardino, Mission Inn at Riverside, Coronado at San Diego, Potter and Arlington at Santa Barbara.

Casa Blanca is owned by E. A. Parkford, a man of vision, whose investment approaches \$100,000. Mrs. A. D. Stricker is the manager. She was well known to guests of Southern California hotels and her reputation has been enhanced by her conduct of Casa Blanca in the few months since it was opened.

Casa Blanca garage, tennis courts, golf courses, etc., add to the enjoyment of guests. This first unit is so built that successive units can be added until an entire square is used. Casa Blanca's first few months presage an increasing patronage from tourists and traveling men.

California Petroleum Cuts Dividend
Directors of the California Petroleum Corporation decided this week to pay 1 per cent on the preferred stock, or at the annual rate of 4 per cent, as against 7 previously paid.

IN THE JUSTICE COURT

BRAVE BRAVO'S BRAVE
FRONT FADES WHEN
HE SEES SHERIFF

Ramon Bravo may not be afraid of any living man, but he doesn't like the looks of a star. Possibly that is why he is now in jail charged with carrying a concealed weapon.

Last night Sheriff Jackson and Deputy Eells made a hasty trip to Delhi on word that a number of Mexicans were holding a Sunday evening meeting (not religious) at a long house there. The report was that talk was getting loud and there seemed to be a large possibility of war breaking out. By the time the officers arrived the gathering had adjourned to the back yard. When the officers approached, one of the Mexicans became panicky. He ran behind a barn and tried to hide, but when he found himself covered with revolvers held by the officers he came out.

"Since you want to get away so badly, I guess you have done something for which I ought to take you," said Jackson, as he put handcuffs on Bravo.

Bravo tried to reach his hip pocket. Jackson concluded that there must be a weapon there that Bravo was trying to ditch. Search brought forth a dirk. When taken into the light at the county jail, Bravo's coat disclosed some fresh blood. How it got there is not known.

Case Is Dismissed
Today the insufficient-fund charge against E. J. Cervantes of Los Alamitos was dropped when it developed that there was no intent to defraud in the case. One of the Bixbys at Long Beach had been keeping Cervantes' bank account up, and Cervantes supposed money was in the bank to his credit. It was an oversight that no deposit had been made for him. F. C. Drumm of Orange represented Cervantes in the settlement of the case today.

Man Is Fined \$50
Newport News: O. L. McVey of Fullerton was arrested at the dance in the bathhouse pavilion, Sunday evening, June 20, on a misdemeanor charge and on Monday was tried before City Recorder Lee Collins and fined \$50. In a dispute with Charles Capps, which threatened to terminate in a tragedy, the defendant drew a dagger, apparently with the intent to do him bodily injury or intimidate him, but was arrested before the trouble went any farther. The dagger was a wicked looking weapon, about six inches long, from the hilt, and of nickled steel.

HUNTINGTON BEACH
LOSES PUBLIC SCALES

HUNTINGTON BEACH, June 28.—The controversy over the location of public scales on some of the principal streets of the city which are just now being paved has been definitely settled by the removal of the scales from the street. The owner of one set of scales said that owing to the construction of his scales it would be impossible to place the beams inside of a building on his property as had been agreed by the city trustees. The other proprietor did not care to make the change and both have placed the scales on their own property.

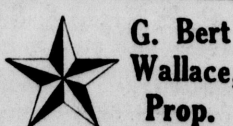

There is some resentment over the action of the trustees who quickly decided to insist upon the removal of the scales after this report was made, but at any rate the streets are now clear and the paving will be completed.

KILLED BY ELEVATOR
LOS ANGELES, June 28.—Eddie Roche, aged 17, was today instantly killed under an elevator of the Zellerbach paper Company. He stooped and peered beneath the descending cage and was crushed between the car floor and pit.

Travel to the Fair
Railway officials say that the anticipated travel to the fair in California is beginning and that it will be very heavy during this month, July and August.

Because one is not leading the procession it is no sign that he is down and out.

ANNUAL REPORTS OF OFFICERS SHOW EBELL SOCIETY TO HAVE HAD SUCCESSFUL YEAR'S WORK

The Ebell Society held its last meeting for the season at Elks' hall on Saturday afternoon, when a large number of local club women and their guests assembled to listen to the annual reports of the year's work, as well as to enjoy one of the most delightful programs of the year.

One of the most interesting reports was that given by the general curator, Mrs. E. M. Nealley. This report showed the work being done by the different study sections of Ebell. Three travel sections have gathered from many sources much valuable information concerning countries afar as well as the country that lies at our own door steps. Six sections have devoted themselves with much enthusiasm to the study of household economics. A Book Review Section has spent a profitable season. The Music Section, under the leadership of Mrs. H. G. Hull, has enjoyed many programs of rare merit. Other sections have included the study of literature, French and parliamentary law.

The Day Nursery Committee reported a year of service that has meant much to the mothers and children with whom it has come in touch. This report follows:

Never in the history of the nursery has there been a better opportunity to help working mothers in their struggle to keep their little ones together, than during the past year.

Owing to the scarcity of work, part of the time it has been almost impossible for some of these mothers to even keep body and soul together. Had it not been for the nursery, with its kind, sympathetic, thoughtful and generous matron to comfort them, besides taking care of their children and furnishing them with clothing at a nominal price or for nothing when necessary, their lot would have been hard indeed.

The public has been exceedingly

generous with fruit, jelly, jam, clothing, food and various other things. The Sunshine Society has been especially generous in contributing \$60 during the year.

The society should congratulate itself upon the fact that the \$200 voted to the nursery last year has not been used, and that there is still money in the treasury to hand over to the new committee. Our books closed June 1, but all June bills will be paid up to the 1st of July, and a balance of over one hundred dollars will be left in the treasury.

The outlook for the coming year is very encouraging. Accompanying this report are the reports of the matron and treasurer.

MRS. E. B. NORMAN.

Day Nursery Matron's Report
 From June 1, 1914 to June 1, 1915:
 Average daily attendance, 12.
 Largest number any one day, 29.
 Cost per day per child, 12 cents.
 Places found for women to work, 180.

Garments distributed, 1,512.
 Number attending school from the Day Nursery during entire year, 24.

MRS. A. JONES, Matron.

Matron's Report for Past Four Years
 Covering a period of four years, from the opening of the Day Nursery, June 1, 1911, to June 1, 1915:

Number of families represented, 205.
 Number of children enrolled, 303.
 Homes found for 14 homeless children.

For the support of the Day Nursery through the summer months, Mrs. Lawton announced that a subscription list had been placed in the hands of Mrs. W. W. Anderson. This list will be at the store of Swanner & Anderson on Fourth street, where subscriptions will be gladly received from members of the Ebell and from any one else who wishes to help this excellent institution through the next two months. Over fifty dollars was subscribed on Saturday afternoon.

The treasurer's report for the year is as follows:

Treasurer's Report
 Fourth annual report, 1914-1915:

RECEIPTS

In the bank June 1, 1914... \$ 313.89

Received of treasurer of Ebell Society... 712.00

Received of Mrs. Jones... 339.00

Received from baseball game... 25.00

Received of Sunshine Society... 60.00

Received of Food Sale... 8.25

Day Nursery Entertainment Committee (Tustin)... 78.55

Day Nursery Entertainment Committee (Santa Ana)... 22.50

Total... \$1,557.19

EXPENSES

Matron's salary, assistant's salary, rent and living expenses... \$1,327.06

Balance in bank, June 1, 1915... \$ 230.13

ANNA C. GETTY,

Day Nursery Treasurer.

The treasurer's report showed:

General fund: On hand July 1, 1914, \$473.36; receipts, \$1,532.45. Expenditures, \$1,579.37. Balance on hand, \$426.44.

Club house fund: On hand July 1, 1914, \$2,286.99; interest, \$80.40; total, \$2,367.39. Paid for addition to lot, \$600. Balance, \$1,767.39.

With the second vice-president, Mrs. W. W. Anderson, in the chair the retiring president, Mrs. A. J. Lawton, gave the following interesting report of the year's work:

Annual Report of Ebell President

Madame President and members of the Santa Ana Ebell:—In giving back to you today the trust placed in my keeping two years ago, that of president of this splendid club—the largest in the Southern District—I do so, fully appreciating the honor and confidence manifested in having been the chosen leader for that period of time. I also realize the failures and shortcomings of the efforts put forth to carry to fruition many aims and purposes looking toward making the Ebell Club a potent factor in the city and community for all things that tend toward the building of a better city, a better citizenship, and a wish to broaden our own spheres to the attainment of a vision of larger and better things in the future life of our club. Whatever measure of success achieved, is due, largely, to the hearty co-operation and support given me by associate officers and other members of the Executive Board.

The reports of the two secretaries show that the standard of club work reached in the years past has not been lowered; the character and scope of the programs have been equal to those of the past, and on some occasions the club has had the pleasure of hearing speakers of national repute, viz.: Miss Lutie Stearns of Wisconsin, a member of the General Federation Executive Board; Miss Zona Gale, the much-loved author, and our own Dr. Scherer of Pasadena.

The state of club finances has prohibited bringing other speakers and entertainers of note, but it has ever been the wish and effort of the Executive Board to give the Ebell the best programs possible. The financial assistance given by the net profits from the Helen Keller lectures—some four hundred and forty dollars—enabled the Ebell to add twenty-five feet to its lot by adding this amount to the balance of the purchase price taken from the building fund.

The report of the general curator shows continued interest in the study sections, these sections also being the means of fostering the social life of the club.

The philanthropic work of the Ebell is shown in the supervision and maintenance of the Day Nursery, and also in taking the initiative in starting the organization of the Associated Charities and in becoming an associate member of the same.

The Ebell has ever stood ready to give, and has given assistance to all public welfare measures when feasible, and can rightfully claim a position of usefulness in the city and community.

And now as we say our little "good bye" and take a retrospective glance contemplating things of the past, we are filled with a sense of things left undone, as well as of some things done that might have been left undone, and we fully realize that in club work the capabilities of the individual are limited; that it is the united effort of the many that makes for success. The one thought I wish to leave with you is this: if you, as club members, wish to make and keep your club abreast of the times in advanced thought, to keep in touch with and be a part of the real vital questions of the day, the solution of the problem lies within your own efforts; it means the hearty co-operation of every club member with your president, not merely giving a sort of silent consent to some plan or plans she may propose.

Another phase of the retrospective glance is a sense of relief—relief because the mantle of responsibility will hereafter rest upon other shoulders. There is also a sense of pleasure in again becoming just a club member, and a hope that we may always be a loyal, useful club member.

Following her report, Mrs. Lawton introduced her successor, Mrs. C. F. Crose, who, in a few gracious words, thanked the Ebell for honoring her with its presidency, and very earnestly bespoke for herself, and for the society the co-operation of every member, to the end that the coming year may be one of the best that Ebell has ever known.

Mrs. E. M. Nealley, in behalf of the Ebell Society and as a token of its appreciation of the president's sincere and loyal efforts to make Ebell a potent factor for good, not only among its members but to the community at large, presented to Mrs. Lawton a beautiful picture, "Sunset Over Golden Gate," the work of Mrs. Minnie R. Childs of Tustin.

The Ebell, as a body, extended to Miss Mabel McFadden, the corresponding secretary, its most sincere and heartfelt sympathy in her bereavement through the recent very sudden death of her father, John McFadden, whose passing away the whole community has mourned.

The afternoon's program was in charge of Mrs. Kitty Richards Foote, who gave a most charming reading of the opera, "Madam Butterfly." Mrs. Foote's interpretation was rarely delightful, her sympathetic voice ranging from the gay laughter of the happy little "Butterfly" who is so sure that her heavenly bit of happiness with young Lieutenant Pinkerton is to last "forever and forever" to the sad, broken, deserted little butterfly who falls upon her grandfather's sword.

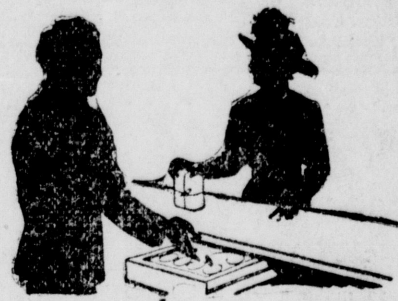

A pretty Japanese dance was given by Miss Mary Gynn, accompanied by Mrs. J. S. Durham, who played selections from the opera "Madam Butterfly" during the reading of the second part.

A social hour spent over the tea cups in the Elks' dining hall brought the year's work to a pleasant close.

—Dr. J. W. Shaul, 417 Hollingsworth Bldg., Los Angeles, in Santa Ana office Wednesday and Saturday afternoons, 1 until 7:30 p. m. Eye, ear, nose, throat and fitting glasses.

Many a merchant fails to get all his profits

① **Because:** When goods are sold for cash he does not know, at the end of the day, if he gets all the money.

Uncounted money causes loss, doubt, and worry.

② **Because:** Money is received on account and he is not sure that he gets the money and that the customer gets the credit.

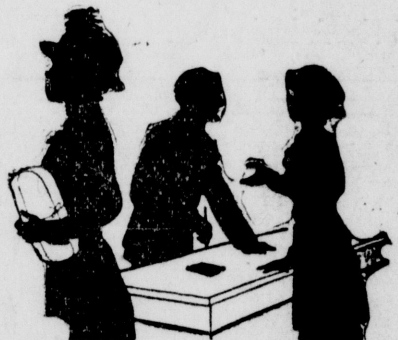

This causes disputes and loses customers.

③ **Because:** He pays out money and forgets to put it down. He also is not sure that he gets what he pays for.

He wonders where his money has gone.

④ **Because:** He often forgets to charge goods sold on credit. He has no accurate check on his accounts.

The customer gets the goods and he gets nothing.

A Receipt-Printing National Cash Register will protect the merchant's profits.

The National Cash Register Company, Dayton, Ohio.

108 Broadway, San Diego.

CITRUS STATION EXPERIMENTS EXPLAINED

About 200 Orange and Lemon Growers of This County Attend Riverside Meeting

Two hundred citrus growers from this county went to Riverside Saturday to attend "Orange County Day" at the University of California citrus experiment station and graduate school of tropical agriculture.

The staff of the station was agreeably surprised to receive 200 guests instead of 100 as originally expected. The citrus growers from this county began to arrive at Riverside as early as 8:30 o'clock and continued to arrive until after 11 o'clock. They were taken through the plant and groves of the site by the different members of the crops of instructors in groups, until every grower in the party had had an opportunity to hear in detail the work and plans of the station, all the experiments being carefully and adequately explained.

The tables were arranged and lunch served under the eucalyptus trees, the visitors bringing their luncheons and the station furnishing the tables and ice cold lemonade.

Following luncheon and with the growers gathered in the cool spots on the grounds, there were three short addresses made by members of the faculty. Dr. H. J. Webber, dean of

the college, spoke on the work of the station and its future hopes and aims. Dr. W. Kelly gave a general report of the fertilizer experiments that are being carried on both by the station and elsewhere. W. M. Mertz, superintendent of cultivation, outlined the work that is to be carried out on the Arlington grove, taken over by the station this year.

In the afternoon the machines were manned and the growers taken to the Arlington experimental grove, where the university men are working on the bringing back of an old grove at the corner of Monroe and Cleveland streets. This took the larger part of the afternoon, the visitors departing for their homes from that point.

Every member of the station's official family did everything possible to assist in making the visit of the growers an enjoyable one as well as a profitable one.

The Orange county visit was arranged for in Orange county by County Horticultural Commissioner R. K. Bishop.

MAN HURT AS HE IS THROWN OFF MOTORCYCLE

TALBERT, June 28.—Traveling on a private road where he had been many times before, Robert Harper was thrown from his motorcycle Thursday near the R. L. Collins ranch and badly crippled up. Harper was going at a moderate gait when he ran into a barbed wire fence and was thrown from his machine, receiving severe bruises and cuts on one leg and a cut on the hand.

At the District Conference of the Los Angeles District of the Methodist Church South, the local church at Tal-

bert was represented, also the Spurgeon Memorial church at Santa Ana had a good representation and the report from that church was above the average of all the churches in the district.

While A. Martel was bringing his horses from the pasture last week he was badly kicked by one of the loose horses.

J. G. Parsons is spending the week end visiting the exposition at San Diego.

Frank Burke left this week to make his home in Utah.

Jim Heaver and wife of Los Alamitos spent Sunday with his sister, Mrs. A. Martel.

The resurfacing work on the boulevard will begin this week. The gravel is being shipped in now.

Harriet Planchon is visiting her father in Tulare county this week.

J. E. Pettit and wife spent Saturday and Sunday visiting relatives in Long Beach.

Earl and Walter Lamb with their families and their mother, Mrs. W. D. Lamb went to San Diego last Wednesday to attend the exposition.

Merle Collins of Anaheim spent Sunday at the home of Bert Carey.

Wiley Ambrose of Oceanside visited his sister, Mrs. C. E. Ward, last Sunday.

Mrs. Bert Carey fell from some steps the other day and strained her ankle.

In the Mining World

From the Los Angeles Financial News.

One of the lead stocks which has so far received little attention in the market, but which has benefited materially by the high prices for that metal, is Bingham Mines, says the Boston Herald. The company owns, besides its own properties, directly operated, 694,999 shares, or over 75 per cent, of the outstanding stock of Eagle & Blue Bell Mining Company. Bingham's own production last year amounted to 3613 ounces of gold, 188,905 ounces of silver, 3,738,778 pounds of lead, and 1,102,762 pounds of copper. The Eagle & Blue Bell turned out besides silver and gold values, \$588,555 pounds of lead and 31,443 pounds of copper. With an average price of 3.61 cents for lead for 1914, Bingham's production of lead was worth \$172,000. It is calculated that with five-cent lead and 19-cent copper, earnings would be at the rate of better than \$400,000 a year. Six-cent lead, which is apparently not far in the future, would increase the rate of earnings to something better than \$500,000 a year, a rate which makes a very satisfactory showing for the stock, in view of the fact that there are only 94,558 shares of Bingham outstanding.

The new electrical plant being installed at the property of the Orion Mining and Milling Company, in the Tom Reed-Gold Road, Arizona, district, will be started for the first time on July 1st, and at the same time mining operations will be resumed. In the latter connection it is well to state that mine development will be resumed under conditions which indicate the mining of pay ore in tonnage within a few months. The machine equipment consists of a 200-cubic foot compressor, a 50-horse power motor, a 75-horse power double-drum hoist and a full complement of all mining tools, etc. The Los Angeles capital, represented by C. J. Rhodes and William H. Wise of that city, is backing development work.

The Lost Horse mine is to be operated again and efforts made to relocate the rich vein of gold ore which at one time made the mine a good paying property, a half interest in the property having been sold by Mrs. Addie Ryan of Los Angeles to McIntyre & Co., also of Los Angeles. The Lost Horse property was located many years ago when a prospector was in the wilderness south of Warren's ranch seeking a lost horse. He entered a small valley, and there, at a living spring, found his lost horse and a ledge of gold, where the Lost Horse mine is now located.

The value of the mica produced in the United States in 1914 was \$328,746, a decrease of \$107,313, according to a statement of Douglas B. Sturtevant, of the United States Geological Survey. The production came from thirteen states. Mica mining in the United States started early in the nineteenth century in New Hampshire, which state supplied all the domestic production until about 1868, when mining was started in North Carolina and subsequently in other states.

A copper reduction demonstration plant capable of reducing 200 tons of ore a day is to be installed at the Weringer mines, near Woody, by John D. Fields, inventor of a new system of reduction by leaching and electrolysis, which eliminates the necessity of buying expensive acids for reducing the copper ore by converting the sulphide ores into sulphuric acid which reduces the ore to such form that it may be precipitated through the use of an electric current.

From 18,000 to 20,000 tons of ore is mined every month from the Yellow Aster mines and this is milled in the 100-stamp mill of the company. Two hundred and fifty to 300 men are constantly employed. It is the largest gold mine in the state, has been a producer for 20 years and has paid in dividends \$1,168,789.

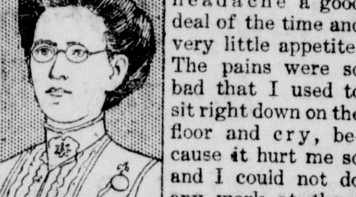

Zinc ore sold at Webb City, Mo., this week for \$130 per ton, the record mark in that market.

California has a large number of de-

IN SUCH PAIN WOMAN CRIED

Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because it hurt me so and I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."—Mrs. P. W. JANSSEN, Box 8, Allyn, Wash.

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

\$1 Round Trip to Laguna Beach

20-passenger auto stage leaves Hill & Walker's store, 206 West Fourth St., Santa Ana, at 10:15 a. m. daily.

posits of chromic iron ore and is the chief native source of chromium in the United States. Although the metal chromic occurs in a number of minerals, chromic iron ore (chromite) is practically the only ore mined as a source of chromium. Its production in America is increasing, especially since the war has in large measure cut off the foreign supply. Dunbar, Thornton & Edmunds have sold the United Western and United Western No. 2 claims in the Outman, Arizona, field to D. C. King and George Waldvogel, Jr., of Long Beach, California. Their claims are contiguous to the Ivanhoe estate and show a strong ledge at surface. The new owners have established a camp on the property and have a force of miners at work developing it. Seventy-four men are working on the wagon road being built from the claims to the asbestos mines in Trinity county, twenty-five miles west. Fifty more men will be set at work next week. Sixteen men are working at the mines. The first asbestos will be mined and shipped when the road is completed, which will be about October 1st. Eight miles of the wagon road stand completed.

A plant of machinery is being installed at the main working shaft on the estate of the Outman Gold Mining and Milling Company, and at the same time the necessary mine buildings are being erected. The property lies northeast of and adjacent to the estate of the Tom Reed company in Arizona and is crossed by a series of well mineralized ledges.

The Panama-Pacific Exposition has awarded the State of Nevada the grand prize for exhibits of economic minerals in the mining department and exhibitors were awarded medals of honor, several gold medals, twenty silver medals, three bronze medals and three honorable mentions.

Twelve claims in the Santa Catalinas and two mill sites have been included in the Stratton Copper Company of Tucson, Arizona, just incorporated with a capital of \$2,500,000. The incorporators are A. O. Stratton, C. N. Wilson and Henry F. Schaefer.

The Metals Tunnel Company of Phoenix, Arizona, with a capital of \$150,000, shares of the par value of 10 cents each, has been incorporated by J. J. Brown, A. H. Daniels, F. E. Holmes, H. G. Fowler and C. E. Haynes.

Heavy course gold is being taken by Thomas Fitzgerald from his gravel claims at the mouth of Jim Crow canyon, near Downieville, Sierra county. The gold is found in a bench of gravel which has never been worked.

State produced in the United States of the year 1914 was valued at \$5,706,757, a decrease of over 7 per cent from the value of the output in 1913. The largest output ever reported was in 1908 and in value \$6,216,817.

The Cananea Consolidated Copper Company, at Cananea, Sonora, Mexico, has started up their plant at a quarter of its maximum capacity with 13,000 employees. The plant has been shut down since the war broke out.

James A. A. Stanley and William G. Romney of Salt Lake City have incorporated the Corona Mining and Milling Company with its principal place of business in Phoenix, Arizona. The capital is \$2,000,000.

W. C. Hunter, mining engineer of San Francisco, J. H. Sling and Samuel Guernsey, were killed in the Columbia mine, twenty miles from Grass Valley, by a delayed blast.

Sierra Madre Mining and Milling Company, of Sierra Madre, has levied an assessment of one-half cent per share, delinquent July 6. This assessment No. 5, Mt. Vernon Mining Company, of Moore, Kings county, has levied an assessment of one-sixth cent per share, delinquent July 6.

The Great Eastern quicksilver mines in Sonoma county are to be reopened in the near future.

Good Times in East

Extreme optimism is the way eastern people view conditions according to Herbert M. Bigelow, superintendent of Bullock's, who has just returned from an extended trip in the East. Says Mr. Bigelow:

"Factories in all the big manufacturing centers are working night and day and our market is practically unlimited. People throughout the East have tired of talking 'hard times' and have determined upon a policy of optimism in place of the close-lipped, gloomy attitude which has, more than all else, created the present, or rather as we may even now begin to say—the past bad times. The stores in all the big cities report good sales and there is a general letting go all along the line. A letting go of the clutch upon the safety-deposit box and a taking hold upon the good things of life. As several persons said to me, 'We are trying to infuse into our methods some of your Los Angeles spirit, for we know it is the spirit of which we want.' Why, the very mind of Los Angeles is a trade-mark of success and of unlimited prosperity."

"I truly believe that were we to take up manufacturing, as we certainly shall do in the near future, any article that we might put out would need little advertising save the attachment of the name Los Angeles. People do not know any other place in the United States they know our city. In meeting perfect strangers in Washington and New York—in fact, in any of the eastern cities—the mere mention of Los Angeles insured a warm welcome and almost always the enthusiastic remark that it was the intention of the easterner to establish here or to plan to ultimately reside here. I think we fail to realize the great number of people everywhere who intend making this their home in the near future."

"With the climatic conditions which make work not only easier, but more efficient, and with the cheap transportation afforded by the Panama canal, we are in a confident, become a great manufacturing center, especially if we solve the fuel question by the use of oil and of the cheap coal which is promised as from Alaska. However, we need not be changed conditions to expect prosperity—prosperity is here at our very doors. All we need to do is to extend her the hand of recognition, the glad hand of welcome."

Fears a Zinc Combine

Attorney General Barker of Missouri has filed an information in the Supreme Court against twenty-eight companies alleged to be interested in the purchase of zinc ore in the Missouri district, stating he had reasons for believing they were in an unlawful combination to regulate prices. The attorney-general asked the court to appoint a commissioner for the purpose of taking testimony, with the ultimate view of filing proceedings.

Proposed Oil Station Abandoned

Owing to protests made by property owners on Barton Hill, San Pedro, and the fact that the Los Angeles Chamber of Commerce declined to endorse the plan, the Standard Oil Company has relinquished its option on seven acres of land where it intended establishing a distributing station for export goods and abandoned the project.

Tired, Aching Muscles Relieved

Hard work, over-exertion, mean stiff, sore muscles. Sloan's Liniment lightly applied, like a magic, and your soreness disappears like magic. "Nothing ever helped me like Sloan's Liniment. I can never thank you enough," writes one grateful user. "Stone aching aches and pains. An excellent counter-traitant, better and cleaner than mustard. All Druggists. Stop a bottle today. Penetrates without rubbing."

The Register's Clearing House for Big Bargains

NOTICE OF SALE.

In the Superior Court of the County of Orange, State of California.
No. 6494, Dept. 1.

In the matter of the estate of I. O. Wilson, deceased.
Notice is hereby given that in pursuance of an order of the Superior Court of the County of Orange, State of California, made on the 18th day of June, 1915, in the matter of the estate of I. O. Wilson, deceased, the undersigned Executor of the last will and testament of said deceased will sell, at private sale, in one parcel to the highest bidder, upon the terms and conditions hereinafter set forth, all that certain lot, piece or parcel of land, situate, lying and being in the city of Santa Ana, County of Orange, State of California, and particularly described as:

Lot five (5) of Block "A" of Price and Stella Fruit Addition to Santa Ana, as per map thereof recorded in Book 28, page 5, Miscellaneous Records of Los Angeles County, California.
Terms and conditions of sale: Cash in full at the time of sale, 10 per cent of the purchase money to be paid at time of sale, and to accompany bid. Balance on confirmation of sale. Deed and abstract at the expense of purchaser. The purchaser to assume the payment of and to take the property purchased by him subject to all the state and county taxes and assessments of whatsoever name and nature which are now, or may become hereafter, chargeable to or lien against the property purchased by him, and subject to the mortgage thereon existing.
All bids or offers must be in writing and may be left at the office of Clyde Bishop, attorney for said Executor, at No. 114 1/2 West 4th St., Santa Ana, California, or may be delivered to said executor personally or may be filed in the office of the Clerk of this court at any time after the first publication of this notice, and before making of the sale.
Dated June 21st, 1915.

RAY A. WILSON,
Executor of the estate of I. O. Wilson, deceased.
CLYDE BISHOP,
Attorney for Executor.

NOTICE

In the Superior Court of the County of Orange, State of California. No. 7125, Dept. 1.

In the Matter of the Dissolution of Orange County Automobile League (a Corporation).
Notice is hereby given by the undersigned, Clerk of the County of Orange, and ex-officio Clerk of the Superior Court thereof:

That on the 8th day of June, 1915, by an order of the above entitled court, there was filed with the Clerk thereof the application of J. B. Pearce, A. J. Drake, C. J. Drake and J. M. Pearce, praying for an order of said court that Orange County Automobile League, a corporation organized and existing under the laws of the State of California, with the place where its principal business is to be transacted at the city of Santa Ana, California, be dissolved.
That any person may file objections to said application at any time before the expiration of the time of publication of the notice, which will expire on the 8th day of July, 1915.
Dated June 8th, 1915.

W. B. WILLIAMS,
Clerk of the County of Orange, and ex-officio Clerk of the Superior Court thereof.
(SEAL) By J. M. BACKS, Deputy.

NOTICE OF BOARD OF EQUALIZATION

Notice is hereby given that the Board of Supervisors of Orange County will sit as a Board of Equalization commencing on Tuesday, July 6, 1915, and will continue in session as such Board of Equalization up to and including Monday, July 19, 1915.

By order of the Board of Supervisors of Orange County, California.
W. B. WILLIAMS,
Clerk of the Board of Supervisors.

WANTED—\$1500 for

A \$5 Illustrated Bible

for Everybody! Complimentary Presentation

A great statesman said: "No library is complete without two certain books—the Bible and Shakespeare. Hardly a quotation in literature that is not taken from one of these books."

Every home needs a Bible, and one of convenient form. To appreciate this great book it does not necessarily mean that one must be a church member or a religious man or woman, but it should be available for every one and often referred to, and often read here and there as the most interesting of all books, as the book under the teachings of which the wonderful development of civilization has been accomplished. It matters not how many Bibles you may have, you will also need this ILLUSTRATED BIBLE, which illuminates, i. e., "throws light upon," the particular text selected for illustration, and is beyond doubt the most beautiful edition of the Bible that has ever been published.

Everybody in Santa Ana will be benefited by the exceptional educational presentation undertaken by the Santa Ana Register. Here is an opportunity for every reader of the Register to possess this illustrated Bible (Protestant or Catholic) with practically no effort.

For Every Reader of the Santa Ana Register!

Heretofore the word "illustrated," as applied to a Bible, meant just a few allegorical "pictures" of Biblical events taken from any source, and conveniently placed in any part of the book, merely as embellishment inserts, but not directly alongside and explanatory of the verse intended to typify or make plain; but our publishers at an outlay of \$50,000, prepared accurate illustrations descriptive of the verse which they accompany, placed directly next to the verse of the scene described—the only place it can be looked for or found quickly, the only place the illustration is a help to you—making this the FIRST and ONLY complete ILLUSTRATED Bible.

Your Choice of These Books

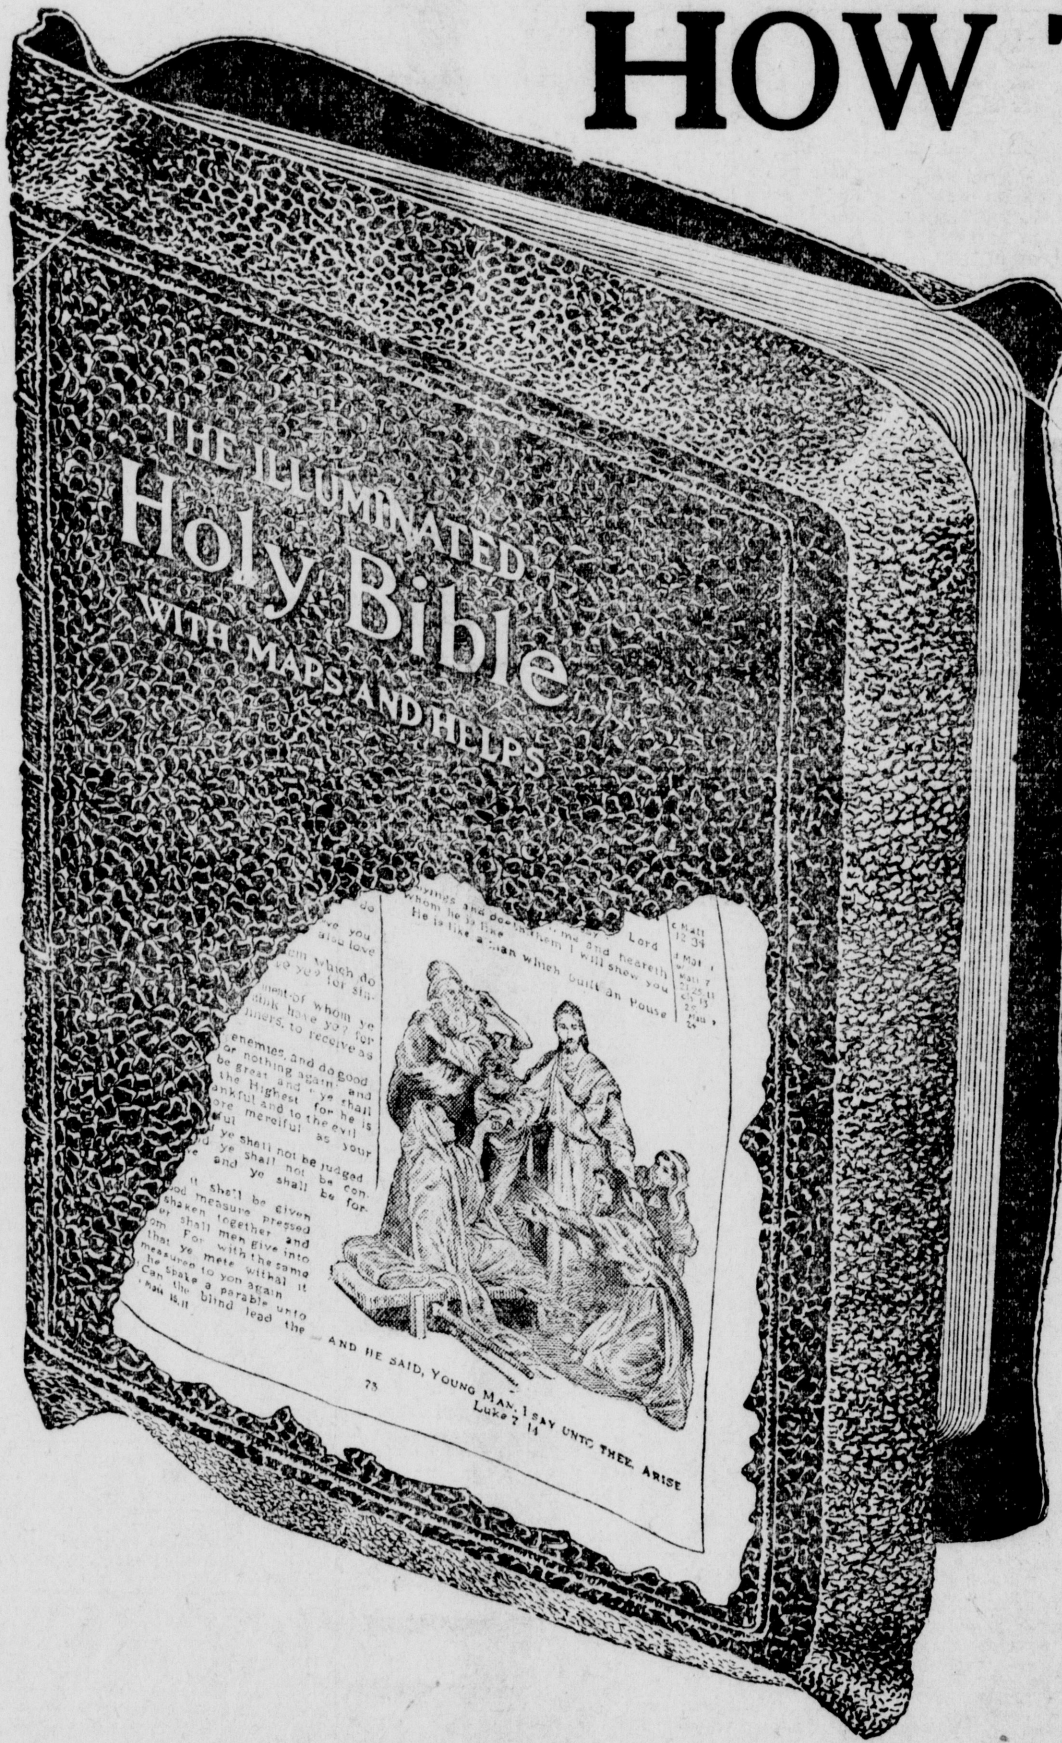

Magnificent Illustrated \$5 Edition of the Bible

(like illustration) is bound in full flexible limp leather, with overlapping covers and title stamped in gold, with numerous full-page plates in color from the world famous Tissot collection together with 600 superb pictures graphically illustrating and making plain the verse in the light of modern Biblical knowledge and research. The text conforms to the authorized edition, is self-pronouncing, with copious marginal references, maps and helps; printed on thin Bible paper; flat opening at all pages; beautiful readable type. Six free certificates and the ...

\$1.45

Also an Edition for Catholics

Through an exclusive arrangement we have been most fortunate in securing the Catholic Bible. Douay Version, endorsed by Cardinal Gibbons and Archbishop (now Cardinal) Farley, as well as by the various archbishops of the country. Illustrations consist of the full-page plates and maps approved by the Church, without the Tissot and text pictures. It will be distributed in the same binding as the Protestant books, and at the same Amount Expense Items, with the necessary Free Certificates.

HOW TO GET IT

Present Six Certificates

Printed only in the Register, together with the stated amount that covers the necessary EXPENSE items of this wonderful distribution, including clerk hire, cost of packing, checking, express from factory, etc.

and Receive This \$5.00 Book

This Bible is not a meaningless picture book. The illustrations serve a distinct purpose. They enrich the text, and they do more—they intelligently explain it so that many a hitherto obscure passage assumes to thousands a new meaning through these eye-teaching pictures.

Comparison Is Impossible

for our new Bible stands alone—there is no other of its kind. Therefore, praise of this superb new book means no disparagement of the many excellent editions published heretofore.

Events that have been imperfectly comprehended become invested with the charm of living reality, and places that seem far off are made familiar, as though we ourselves had trod the hills and valleys of these historic lands. It may be truthfully said that this really superb edition of the book of books has an important mission to perform, in illuminating and vivifying the Bible narrative and giving it, as never before, a present, living, human interest.

THE ILLUSTRATIONS ALONE COST OVER \$50,000

600 Text Pictures--Tissot Full Page Plates in Color

No Book in the World Like This at Any Price

This Bible is not a mere picture book. It is a genuine high art production, worthy of the Twentieth Century. In addition to the world-famed Tissot pictures in color are 600 illustrations, all exact copies of original paintings and drawings, which constitute the most wonderful gallery of Escriptural art in existence today—to this branch of the work, and at enormous cost, were called the greatest of living artists, and it is to their intelligent conception of the work and to their masterly skill in portrayal of Bible scenes that the superiority of this Bible over any yet produced is mainly due. Every picture is an eloquent sermon on these everlasting truths.

Mail Orders

Any book by parcel post, include extra 7c within 150 miles; 10c 150 to 300 miles; for greater distances ask your postmaster amount to include for 3 pounds. The Register, Santa Ana, Cal.

One Hundred of the World's Greatest Artists

Working under the advice of archaeologists and historians of wide renown, have contributed the choicest products of their skill and genius to produce this grand triumph of artistic beauty and perfection in historical detail. These pictures are not mere reproductions of mediaeval frescoes and more or less familiar modern photographs, inserted at random; they have been especially made, in the light of twentieth century knowledge to illustrate selected texts in accordance with the material beliefs of the greatest living theologians.
